

Dear Hiring Manager,

I am writing to express my keen interest in the Software Engineer position at your company. With a strong background in software development and a proven track record of delivering successful projects, I believe I possess the skills and experience necessary to contribute significantly to your team.

In my previous role as a Software Engineer at Naya Software Inc, where I worked remotely from Nepal, I had the opportunity to work on a range of challenging projects. I successfully coordinated the development and testing processes in Nepal while collaborating effectively with the US team, ensuring seamless project execution.

Prior to my role at Naya Software Inc, I gained valuable experience as a Software Engineer at IMark Digital Pvt. Ltd.

Some of my notable achievements include:

- **Library Integration:** Leveraged my expertise in the .NET Core API to integrate and utilize various libraries, such as OpenXML, SignalR, Aspose.Words, SyncFusion PDF, and more, to extend the capabilities and features of the software.
- **Word Web:** Integrated Word Web with the WOPI protocol, enhancing document collaboration and functionality within the application.
- **OAuth:** Implemented MSAL (OAuth 2.0 Implicit Grant Flow) and other libraries within Angular web applications to ensure secure authentication and enhance user experience.
- **Azure Resource Management:** Managed the Azure infrastructure, including configuration, deployment, and maintenance of cloud resources.
- **Project Management:** Planned and executed the development activities for each sprint, ensuring efficient task allocation and timely delivery of project milestones.
- **Training:** Mentored and trained associate developers to enhance their skills and knowledge, while also reviewing the performance of the development team to ensure optimal productivity and quality of deliverables.

With my technical expertise, project management skills, and ability to work effectively in remote environments, I am confident that I would be a valuable addition to your team. I thrive in collaborative settings, and my strong communication skills allow me to effectively work with both local and remote teams.

Thank you for considering my application. I have attached my resume for your review. I would welcome the opportunity to discuss my qualifications further and learn more about how I can contribute to [Company Name]'s success. I am available for an interview at your convenience.

Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,

Ashim Batajoo
