

Dear Hiring Manager,

IKEA

I am writing to express my interest in a full-time position available at IKEA Scarborough. With 3 years of experience in retail sales and customer service, as well as a Bachelor's degree in Business Administration, I am confident in my ability to contribute to the success of the IKEA team.

During my time at UFO Clothing Store and Saleways Departmental Store, I developed strong interpersonal and sales skills, delivering exceptional customer service and achieving sales targets. I am drawn to IKEA's mission of creating a better everyday life and its commitment to the well-being of its co-workers. The opportunity to be part of a global IKEA family and the endless career opportunities within the company are truly appealing to me.

As a team player who values togetherness and community, I believe I would thrive in the IKEA work environment. I am impressed by the comprehensive benefits and development programs offered to co-workers, which demonstrate IKEA's commitment to their personal and professional growth. I am excited about the chance to contribute to the continued global success of the IKEA Concept and create meaningful connections with customers.

Thank you for considering my application. I have attached my resume for your review, and I would welcome the opportunity to discuss how my skills and qualifications align with the available positions in more detail. Please feel free to contact me at your convenience.

Sincerely,

Regina Shrestha
